

Summer Reading Program at the Onawa Public Library

Dear Parents and Summer Readers:

School is ending soon and involving your child/children in the Summer Reading Program is an excellent way to promote reading for pleasure and help them maintain their reading skills during their summer vacation.

This year's "Read, Renew, Repeat!!" program will include reading, games, crafts, guest speakers, and a final party. Some of our programs will be at the library while some will be take home activities and reading.

We will kick off our program Tuesday, June 4th from 4:00 – 5:00 with a very special program. Our first regular program will be at the library on June 12th. We will then have programs at the library from 9:30 – 10:30 AM every Wednesday during June and July and a final program in August. We will have two special programs that are not scheduled on Wednesday so be sure to check the calendar for start times for the programs. The programs last approximately one hour.
