

Summer Reading Program at the Onawa Public Library

Dear Parents and Summer Readers:

School is ending soon and involving your child/children in the Summer Reading Program is an excellent way to promote reading for pleasure and help them maintain their reading skills during their summer vacation.

Our goals will be to motivate children to read for enjoyment, develop positive attitudes about reading, and encourage regular use of the library and its services.

This year's "Find Your Voice!!" program will include reading, games, crafts, guest speakers, and a final party. Some of our programs will be at the library while some will be take home activities and reading.

Our first program will be at the library on June 7. We will then have programs at the library every other Wednesday during June and July and a final program in August from 9:30 – 10:30 AM. We

will provide various take home projects throughout the summer to encourage reading and using imaginations. These projects can also be done at the library. If you are uncomfortable with your child joining us for programs we will gladly set up individual times for them to meet with us. Be sure to check the calendar for start times for the programs. The programs last approximately one hour.

HOW THE PROGRAM WORKS
